Welcome to the Fountain Inn

Richard, Jacque & the team at The Fountain Inn welcome you to our friendly establishment, where we try to serve good quality fayre at a reasonable price with friendly and efficient service.

Our No. 2, Carl, 26, ably assisted by Kamarah, 21, are here to help you enjoy your visit with us today.

Our other full timer is Steve behind the bar.

Our Office Manager is Amy Cushley, 35, and if there is any information you require she will be glad to help in any way she can.

Damon 40 is our new head chef with a wealth of experience and ideas, ably assisted by our sous chef, Dan Foster, 27, Sam Betterton, 21 and Josh Notice, 19. We also have Linda Collins doing a lot of our prep work, if you need any special requirements please ask for her help.

The rest of the team are mainly part time and an excellent asset, particularly with the pleasant and helpful way in which they look after our customers.

And finally, the wife and I (I'm the one in shorts!) do anything else that's needed; I do all the food development work and back our two excellent chefs and the Dragon takes the food orders, as well as doing a million other things.

Thank you for eating at The Fountain Inn at Clent and if you enjoy your visit please tell a friend, if not please tell us.

Oh, by the way... We're only the 5th pub in the country to be awarded The Platinum Award for Beautiful Beer and only the second to retain it, not bad, eh?
